WELCOME TO COLONIAL WILLIAMSBURG'S HISTORIC AREA
DAILY PROGRAM GUIDE: MARCH 4 – 24, 2024

 Colonial Williamsburg

- Williamsburg was the capital of Virginia from 1699 to 1780. Some lived and worked here by choice, others were brought or kept here by force, and some had been here long before any newcomers arrived.
- The Historic Area includes 89 original 18th-century buildings, as well as hundreds more buildings constructed based on historical records and archaeological research.
- People of the past, practicing tradespeople, and historical interpreters are eager to share their knowledge of the American experiment.

Tips for a great visit:
- First visit? Musee sites include the Governor’s Palace, Peyton Randolph House, Courthouse, Raleigh Tavern, Capitol, and a trade shop. Look for on the map.
- Look for a Grand Union Flag to identify open sites.
- Duke of Gloucester St. is nearly a mile long—be on the lookout for carriage traffic. If you would like to view the town, 18th-c. style, be sure to arrive early at any ticket office to purchase your ticket for a carriage ride.
- To book a reservation, visit a ticket office or call 888-965-7254.

As a private, not-for-profit organization, your admission ticket directly benefits The Colonial Williamsburg Foundation, advancing our preservation, education, and civic engagement objectives and supporting our mission: That the future may learn from the past.
